Dear Friends--

We are pleased to announce the opening of Innisfree for the 1983 summer season. This first summer we will be offering the facility at introductory rates to encourage as many of you as possible to become acquainted with Innisfree.

For those of you who have not visited Innisfree before, it is an ideal spot for those who enjoy river recreational activities or for those who seek a relaxing country atmosphere to get away from it all. Innisfree is located at Skinners Falls in Milanville, Pennsylvania, 40 miles north of Port Jervis, N. Y. It overlooks the Upper Delaware River, which is now a National Recreational Area. It is one of the most popular spots on the Delaware for canoeists. Canoes and rafts are available to rent at Skinners Falls, but arrangements must be handled directly with the independent vendor. A public swimming area is also available on the New York side of the river.
