Do not bring a large supply of "geedunks" with you. If you do bring any please keep it reasonable.

There is a small general store in Milanville that sells "geedunks", film, writing materials, etc. Money is not necessary on this trip and more than four or five dollars is not only undesirable, it is putting those who do not have that much cash with them in an embarrassing situation.

Each student will NOT bring any kind of gun, any kind of knife (not even for fishing), any kind of firecrackers, cigarettes or any of the other usual taboo items at school.
